Please contact the business directly to check the watch and availability. We went to brunch tonight. The place itself is quite small and they were occupied very quickly. Felt very rushed to book with someone coming to our table every 2 minutes asking us if we were ready (we were part 5). I got... Buffalo chicken sandwich as I don't really like breakfast food overall and it was blah. The bread was stale and the sandwich was just ok. My husband said he liked his food, a Mexican frying pan, but found a piece of plastic in it. Then we felt very hurried again when we did to leave. I was still collecting in my food, and they brought us a check. We paid for it but continued to sit for a few minutes as it was a group of friends who had not been together for a while. Again, someone kept coming to our table every couple of minutes, asking us if we needed anything. You can tell that wanted us to leave so they could have our table. I understand both sides, but we weren't even there, but 30-35 minutes. I'm not coming back. More More
